

Family and Family Friendly Activities at Pennsic War 48

Created by Leonete D'Angely, Family Activities Coordinator. Any mistakes are mine and mine alone.

Includes events registered and submitted as of July 5th, 2019

Notes:

- This schedule contains many activities at Pennsic that families and/or those under 18 will enjoy. It is not an exhaustive list, and there are many scheduled activities throughout Pennsic that are welcoming and appropriate to families.
- None of these activities is a substitute for proper supervision of your child as per Pennsic rules. Please see your site booklet for more information.
- Classes and Activities may change times or be cancelled at Pennsic, please check the newspaper, noticeboards, or internet sources for the most up to date info. Again, any mistakes are the fault of Leonete, and have my sincerest apologies.

Family Activities, held in Family Point Tent 1, next to the playground, are classes and crafts geared towards ages 3-9.	Youth University, held in Family Point Tent 2 at the playground this year, are classes designed for those in the 9-14 range. Ages are suggested based on the developmental requirements of the classes, and are a suggestion, not a requirement, unless noted for safety reasons.	Teen University, held in the University, in A&S Tent 6, are classes meant for those 13+. The age range is based on the higher level of developmental skills needed, but is not a requirement unless noted for safety reasons. Classes are open to adults but teens are given priority.
The Family Lounge is a pop-up tent with a play yard located at family point, allowing for a safe play spot for toddlers.		
Performing Arts provides a variety of youth and teen opportunities. Ages are noted in class descriptions	Martial Activities includes opportunities for youth to fence, fight, throw, and shoot. Only family specific times for Thrown Weapons and Archery are listed here, see their schedules for times that all ages are welcome on the ranges	The Teen Lounge is held in Family Point Tent 2, and is a chance for teens to come hang out and socialize in the evenings. Most nights are open for 10-17 year olds, but some nights are specific to certain ages, so check descriptions.
Other Family Friendly Activities are not directly sponsored by the Family Activities department, but may be of interest.		

Monday, July 29th

Track	Location	Time	Title/Activity	Notes (see web for entire description)
